THANKS FRIENDS

To the hosts of wonderful friends who helped and encouraged me during the Herald campaign, I am indeed most grateful. I shall long remember your great kindnesses, and I hope that every one of you will accept this as a personal message of sincere appreciation.

MRS. JACK MURRAY.

WORKER'S STATEMENT

This is to certify that I, the undersigned, have this 28th day of November, 1933, made careful check and audit of my records with those of the campaign department of the TORRANCE HERALD and find same to be correct.

I hereby receipt in full for my reserve points, the total of which are _____ points. I understand that these points are to be deposited in the sealed ballot box and the total of these added to the last points score appearing in the Herald of November 30, 1933. The total of my published points will be _____.

The total of my reserve points and published points will represent all of the points earned by me during the first three periods of the campaign, ending November 23, 1933.

I also wish to state on my own behalf that at no time during this campaign has either the campaign manager or the publisher of the Herald asked me to spend any of my own money to win one of the bonus checks, nor have I done so. Also, at no time during this campaign has either the campaign manager or the publisher of the Herald made me any misrepresentations or promises of winning one of these checks, and it is my sincere belief that this campaign has been conducted on a fair, honorable and impartial basis from start to finish. I, as a worker in this campaign, agree to abide by the judges' decision and will accept same as final and correct.

This is to further certify and state that during this campaign I have drawn \$ _____ in the form of commissions and it is my understanding that this amount will be deducted from any bonus checks I may earn.

MANY "JUST LAZY" CHILDREN ARE SICK

No normal child is "lazy." If youngsters don't want to eat or play—there's a reason for it. In nine cases out of ten it is lack of vitamins. And nine times in ten a bottle of Scott's Emulsion of Cod Liver Oil will turn the scales—set them eating, start them growing, instill their little bodies with vigor, make their minds alert and eager to learn.

There's nothing like Scott's Emulsion of Cod Liver Oil for putting health and "pep" in children. There's more vitamin A in a tablespoonful of Scott's Emulsion than in a quart of milk. It also has an abundance of vitamin D—so very necessary toward building strong bones and sound teeth. Easy to take—no unpleasant taste or odor... and better today than in all of its past sixty years! All druggists—60c and \$1.20.

County Revokes Beer Permit At Paradise Grove

Complaint of Neighbors Filed Alleging Improper Behavior of Patrons

The beer permit obtained by Henry O. Johnson for the Paradise Inn at 26011 Pennsylvania avenue, Lomita, has been revoked, the county board of supervisors was notified today in a formal report by the county public welfare commission.

Investigation that led to revocation of the permit was prompted by complaint signed by Mrs. Nora Sitts and by Mrs. A. B. Trefethen, the report stated. Constable C. R. Taler of Lomita township also reported disturbances that he had observed at the beer parlor. Behavior of patrons was declared not fit for children to see and there was particular complaint about profanity and trespassing of patrons on neighboring property. The sheriff's office investigated the validity of signers on Johnson's petition and turned in a final report that resulted in the permit being revoked.
